

JULMEDLEY

En sammansättning melodier
funna/avlyssnade/transkriberade/arrangerade/nedtecknade
av
Svante Strandberg

tillägnat

En Liten Kör

Följande föreligger:

"Jingle Bells"

är en plankning / bearbetning av en inspelning med den italienska gruppen "Neri Per Caso". Originalen finns på skivan "... and so this is Christmas" från 2009. Köp och lyssna

"God rest ye merry gentlemen"

finns på samma skiva med samma grupp. Återigen en plankning/bearbetning.

"Hark! The herald angels sing"

är hämtad från en inspelning med den eminenta gruppen "Take 6", närmare bestämt från albumet "He is Christmas" från 1991. Inte exakt som dom sjunger den, men bra nära.

"The Christmas Song"

är en transkription, mycket nära originalet, av sången som den är inspelad av "The Kings Singers". Finns på en samlingsskiva från 2009 som heter "The most beautiful Christmas Songs - Vol I".

"This is Christmas"

signerad John Lennon, är återigen av Neri Per Caso's tappning. Samma skiva som nämnts tidigare.

och slutligen

"All I want for Christmas is You"

är dettal lilla medleys enda originalarrangemang, vilket inte alls betyder att ni kommer att vara ooriginella då ni framför de andra sångerna. Tvärtom, tror jag att "The Christmas Song" är den enda som finns utgiven på noter.

Några ord om framförande av musiken.

En hel del partier är av karaktären solistiska. Det står inte inskrivet, utan man bestämmer själv huruvida hela stämman skall sjunga, eller någon solist.

Vissa av dessa solopartier är avlyssnade och nedtecknade ungefär som de är sjungna på respektive inspelning. Detta innebär - som så ofta i musik med lite 'groove' - att det är lite besvärligt med exakta notvärden. Jag har bemödat mig med att försöka få det sångbart, varför min bedömning är att om man tar sig tiden att träna in den skrivna rytmen kommer det att låta bra. Inte dessto mindre går det att förenkla och/eller göra på annat vis än vad som är skrivet.

Allmänt finns inga nyanser utskrivna. Det är viktigare att hitta ett bra groove och vara musikanter. Då kommer nyanserna av sig själv, eller genom era egna beslut.

Allt är inte skrivet i sten. Det finns utrymme för egna ändringar.

Emellanåt passar det nog att knäppa lite fingrar eller utöva lite hi-hat liknande orala läten.

Det finns ytterst få direktiv utskrivna, men då är dom dessto viktigare - t.ex. tempi.

Mycket nöje!

Svante Strandberg

B
You!
da - ba - da tja - ba - da da - ba - da tja - ba - da

Fokus på "rytmiskt som tusan" (inte så starkt). Något betoning på "tja" och sedan obetonat. Solomelodien är lite "färdigutsmyckad", delvis nära inspelningen med Olivia Olson ("Love Actually"). Självklart kan det göras annorlunda, men det är lite smart att faktiskt träna in det skrivna först.
